List drivers that have your permission to transport your child/children from school. Highland's policy states that we will not release a child to a person other than their parent/guardian (including older siblings) unless we have **written permission** from you stating a change in your regular schedule. Please note that this form is not a blanket statement that allows the people listed below to pick up your child/children at any time. Your child/children will **only** be allowed to leave with these people if we receive a phone call or email from you beforehand.
