6th Grade Required Reading

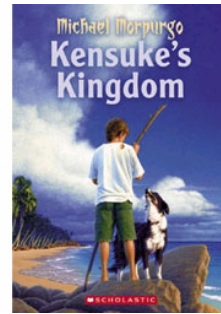

2009-2010

Students in the 6th Grade will be required to purchase three books for use during the school year. To ensure that everyone has the book when needed, it is recommended that parents purchase these books at the beginning of the school year and students store the books in their lockers until needed.

The following is a list of the books with correct ISBN numbers. It is important that all students use the same edition of each book to facilitate class activities and discussions of the books.

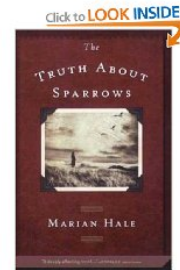

Kensuke's Kingdom, by Michael Morpurgo

The Truth about Sparrows, by Marian Hale
