

Technology Acceptable Use Policy Lower School

The use of technology is an important part of Highland School's educational experience. In order to use it safely and well, all students must follow certain rules.

Rules for using the computers:

- I will care for the computers and other equipment.
- I will only use the equipment, materials, and programs I have permission to use.
- I will only use the computers for school work.
- I will only go to Internet sites approved by my teacher.
- I will not access files and information that are not mine.
- I will use the login and password that I have been assigned.

If I do not follow the rules, I will not be allowed to use the equipment.
