

PHOTO/INTERVIEW RELEASE FORM

Occasionally, Highland School staff or faculty members will photograph students with the intent of using the pictures in various School publications and/or on the web site (www.highlandschool.org). By enrolling your child at Highland School you are giving permission to Highland School to publish photographs and interviews in which your son/daughter is included, in whole or part, in Highland School publications and/or on the web site for as long as your child(ren) are enrolled at Highland.

Similarly, students may be interviewed for Highland publications and the School may wish to promote your student's accomplishments by sending press releases to appropriate newspapers or publications. In addition, representatives of the media will be interested in stories relating to Highland School and may wish to interview, photograph or videotape Highland students. Highland makes every reasonable effort to supervise interactions between students and the media.

Please complete this form and return it by the beginning of the academic year to either school office. **Non-response to this request by the first day of school will indicate approval.**
