

Highland School
Required Books for Rising 8th Graders

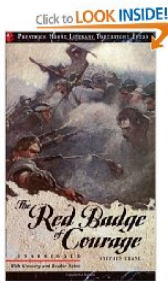

Each year, students in Middle School read several novels. These novels should be purchased over the summer and brought to school on the first day with school supplies. Novels may be purchased from any bookstore, but it is essential that you purchase the correct edition of the book so that everyone can be on the same page in class. This is best done by making sure the ISBN number is the same as the one listed here. We request that students purchase new copies of each novel, rather than borrow a hand-me-down, so that they can make their own annotations.

Grammar and vocabulary texts will be ordered by the school; students will be billed after they are distributed. Students may purchase or borrow a hand-me-down grammar book, as grammar exercises are not written in the text itself. This sort of exchange is not facilitated by the school, but arranged on a student-to-student basis.
