Summer Reading Assignment

To complete the summer reading requirement for fourth grade, each student must read three of the books from the above list. Record each book on the page provided including the title, author, main characters, setting, and plot. Also, tell your favorite part of the book.

Then, you must complete one of the following projects for one of the books that you read.

1. Make a poster for the book, illustrating a scene from the book.
2. Write a diary from one character's point of view. Include three separate entries from the beginning, middle and end of the book.
3. Write a book review for one of your books.

Be sure to come on the first day prepared to tell us about one book you have read this summer. We will work on another project during the first days of school. Remember, reading is FUN!

Title: _____

Author: _____

Setting: _____

The characters in the story were: _____

My favorite part was when _____
