

Name: _____

ACADEMIC GRADUATION REQUIREMENTS

Graduation from Highland requires the successful completion of a minimum of 23 academic credits. One credit is the equivalent of the successful completion of a full-year course. Semester courses carry one-half credit.

Minimum requirements for graduation are listed below. Any variation requires prior approval by the Upper School Director and the Director of Studies.

Course	Credits
English	4 credits (must be 4 year-long English classes)
Foreign Language	3 credits (in same language)
Mathematics	3 credits (in Grades 9-12; must include Algebra I, Algebra II, Geometry)
Social Sciences	3.5 credits (must include U.S. History and Government)
Laboratory Sciences	3 credits
Fine Arts	1 credit
Computer Science	1 credit (must include Comp Concepts, Intro to Programming or Programming I)
Electives	4.5 credits
TOTAL	23 credits

_____	_____	_____	_____

Physical Education Requirement

Students may choose between these two options in order to satisfy this requirement:

1. They may take one credit of PE classes at Highland, (if credit is earned list above as an elective)
2. They may participate actively in two seasons of team sports at the JV or Varsity level. (list below)

Any variation requires prior approval by the Upper School Director and the Athletic Director.

Sport	Season/year	Advisor approval
_____	_____	_____
_____	_____	_____
