FOUNDER'S SCHOLARSHIP

The mission of the Founder's Scholarship Program is to attract and retain students of exceptional intelligence who possess the highest qualities of leadership, character and citizenship. We seek to identify students with great promise early in their high school careers so that we may nurture their talents and allow the school to benefit from their enrollment. We are firm in the belief that extraordinary individuals enrich the entire community; thus, we award partial merit-based grants to enable talented youth to attend Highland. Founder's Scholarships are highly competitive and awarded annually to rising Grade 9-10 students. To learn about the application process, please contact the Admission Office or consult our website. Highland currently has 12 Founder's Scholars.

FINANCIAL AID

Highland provides need-based financial aid to students in Kindergarten through Grade 12. In 2008-2009, Highland granted \$749,000 to 18% of the student body. The grants ranged from 10% to 90% of tuition with an average grant of nearly \$7,700.

Families interested in information about financial aid should contact the Admission Office and consult our website for a copy of the Financial Aid Handbook. The handbook describes the application process which includes submitting information to Highland and School and Student Services (SSS) in Princeton, New Jersey. Families unsure about their ability to pay full tuition should apply for financial aid. All information and conversations pertaining to financial aid are held in the strictest of confidence. In addition, admission and financial aid are determined separately.

The application deadline for current families, January 9, 2009, is slightly before that of prospective families which is January 30, 2009. The Financial Aid Committee reviews each file carefully and awards grants on an annual basis. Families are notified of the financial aid decision before being asked to submit an enrollment contract.
