

The Campaign for Highland School

1. Annual Fund

In order for Highland School to continue to provide a top quality program and outstanding faculty for our students, the school must rely on the Annual Fund. The Annual Fund supports and enhances every aspect of Highland School life from faculty salaries and benefits, financial aid and technology in the classroom, to supporting all areas of the school's curricular and co-curricular programs.

Annual Fund Three Year Unrestricted Goal: \$1,000,000

2. Building Fund

Gifts to this fund support "bricks and mortar" projects identified by the Board of Trustees in the school's Campus Master Plan. Under the auspices of the Campaign for Highland, the Building Fund will support construction of the new lower school building and gymnasium, the renovation of athletic fields and the upgrading of the school's infrastructure. Contributions to the Building Fund will typically be much larger than gifts to the Annual Fund and usually come from a donor's accumulated assets. Gifts to the Building Fund constitute an extra effort on the part of the donor, over and above an annual gift.

Building Fund Goal: \$ 13,000,000
(Includes artificial turf field)

Pledged to Date: \$ 12,031,362
(Includes artificial turf field)

3. Endowment Fund

In addition to the \$13,000,000 being sought for new construction, we are also seeking an additional \$3,000,000 in **endowment** to offset the costs associated with operating an enhanced physical plant.

Endowment Fund Goal: \$ 3,000,000

Pledged to Date: \$ 1,967,140

Total to Building Fund and Endowment Fund: \$13,998,502

Revised: 11/13/08
