RISING SEVENTH GRADE**

**Language Arts**

**Purchased by students:**

In 7th grade this year we are moving to a book club format to provide more student choice in what they read. The students will choose and purchase a book in an area of interest to read with a small group. We'll email these choices home a week before the book clubs will begin.

The 7th grade book clubs are designed to give students reading choice, while they continue to work on the year's throughlines of reading, writing and speaking about books with greater clarity and expertise.
