

## Rising Third Grade Summer 2019 Reading:

1. I hope you read as much as you can over the summer. Be sure to choose reading material that is a “good fit” selection for you. Record each book you read on the Summer Reading Log. For example, if you are reading a short novel you would record the title of the novel each week until you have completed the book.
2. Complete the Book Summary Sheet on your **favorite book** that you read this summer.
3. Take a picture of yourself with your **favorite book** that you read this summer for our Reading Recommendation Board.
4. Bring in the completed Book Summary Sheet with your reading log on the first day of school. Be prepared to share your favorite summer reading books with your classmates.

The book summary sheet and picture is due on the first day of school; students will receive a class participation grade for your summer reading work.

I look forward to hearing about some of your favorite summer reading books.

Happy Reading

Mrs. Duncan
